6♠ by East

Your partnership plays Jacoby 2NT convention, so partner's 2NT shows a game-forcing raise in ♠s. Your 3NT bid indicates a 5-card suit and "extra values". Partner's 4♥ is a control-bid showing the ♥A.

What you need to know now about partner's hand is Key-Cards so you bid 4NT. He answers 5♠. What is your bid?

Partner's response says 2 Key-Cards and the ♠Q. So you are missing either the trump King or the ♦A. So you shouldn't bid 7, but you will almost surely make 6. You bid 6♠.
