You have 14 points and you respond 1♠. Partner rebids 1NT. What is your next bid?

Partner has 12-14 points, balanced. You will insist on reaching game, but don't know whether 3NT or 4♠ is going to be the best spot. It depends on whether partner has 3♠s. So of course you use NMF.

You bid 2♦ and partner then says 2♥. Where do you go from here?

OK, partner has a 4-card ♥ suit - may or may not have 3♠s. Since you don't have 4♥s you bid 3NT, leaving it up to partner to correct to 4♠ if he has 3 of them.

You are too strong for 1NT so you open 1 ♣. Partner responds 1 ♠.

You don't support ♠s with only 3 cards since partner might well have just a 4-card suit. With 18 points, balanced, all suits stopped, you jump to 2NT.

Partner says 3 ♦.

This is New Minor Forcing. Partner wants to know if you have 3 ♠s. Since you do have 3 you bid 3 ♠ and partner raises to 4 ♠.
