You dealt this hand.

You expect your hand to produce 5 ♥ tricks and the
♠ A. So you open 3♥. Partner responds 4♥.

When you preempted 3♥ you described your hand
perfectly. You have nothing more to say except pass.

The bidding has been as shown.

No matter how much we try to reduce bridge to rules and guidelines we will never get rid of the judgement factor. With this hand you definitely have 3 fast tricks for partner. In theory he can take 6 of his own, so 3♥ should be the right contract. BUT, maybe he could ruff a ♦ in your dummy?

Fortune favors the bold so you bid 4♥ . . . and live happily ever after.
