You have 7 points, and basically nothing but s♥.

You must make a minimum bid, and the only reasonable one is 2♥. Despite his 17 points, partner passes.

You have an ideal hand for a Reverse, so you bid 2♥.

Partner now bids 3♦.

Partner has a minimum hand, but at least he came up with a preference for ♦s.

There are no guarantees here, but you should probably try 5♦.

With 18 points you have enough to make a Reverse.
So you bid 2 ♦. Partner now says 3 ♠.

Partner's jump bid shows a 6-card suit and enough points to insist on game. With your ♥ stopper you might be considering 3NT, but since you know of an 8-card ♠ fit you decide on 4 ♠.

Be very glad that you did. 3NT would go down with a ♥ opening lead while 4 ♠ is cold.
