You should bid 2♥. If partner has even one ♥ you will probably be better off than in ♦s.

You dealt this hand.

You open with a Weak 2-Bid, 2♥. Partner responds 2NT. What do you say next?

The 2NT bid is forcing. Your ♦K is a feature, but your immediate priority is to let partner know that you have a minimum strength opener, 6, 7 or 8 points. So you rebid 3♥. Partner passes.

You should raise to 4♠. Not that you expect partner to make it, he probably cannot. Your raise is a preemptive measure, hoping to prevent the opponents from finding their ♥ fit.
