You should raise to 4♠ because that is what you expect partner to make.

You dealt this hand.

You open with a Weak 2-Bid, 2♥. Partner responds 2NT. What do you say next?

The 2NT bid is forcing and you have better than a minimum. You show your "feature" by bidding 3♣. Partner now bids the game.

One of the characteristics of Weak 2-Bids is that Responder often is unsure how high to go. That's why the 2NT bid is such a great tool. In this case you bid 2NT and partner says 3♥.

Well, you weren't sure whether to take partner to game or not, so when he says he has a minimum hand you have to pass.
