The bidding has been as shown.

With the two lowest unbid suits you bid 2NT. Partner jumps to 4♦.

Partner probably has a good hand, but he might just be preempting. Assuming he is inviting you to bid game you have a tough decision. You are not very strong but you might have been a couple of points weaker. It is strictly a judgement call and we decide to pass.

As you can see, **IF** they open the lead with a ♣, and **IF** the ♥ finesse then works, you can make 5♦.

The bidding has been as shown.

As you have figured out by now, using Michaels Cue-Bids / Unusual Notrump is sometimes hard to tie down. Here you have 13/14 points and if you figure partner for 9 that won't be enough for game. But, those two Minor Aces are worth a lot when you figure partner has only 3 Minor suit cards.

So let's say you decide to just invite with 3♠. Partner takes you to game.

You will surely make this game if trumps split 2-2. If they don't then you will have to hope for a defensive mistake.
