The bidding has been as shown.

Partner wants you to bid ♥s or ♦s. You figure that in either of the red suits you will have a 7-card fit. You hope to do better than that in ♠s. So you bid 3♠ and everybody passes.

The bidding has been as shown.

You have 20 points and two good 5-card Majors so you bid a Michaels 2♣. Partner responds 2♠. What do you say next?

Partner may have as few as zero points and as many as 13 or so. You **COULD** bid an invitational 3♠, but if he has only 5 or 6 points he will pass. Looking at your hand you only need to find partner with ♠ J x x to have a good shot at game. So go ahead and bid 4♠.

Will you look at that. Partner has only 2 points, but what great ones to have!
