A perfect Michaels example; 5-5 in the Majors and 9 points. You bid 2 ♦ and partner says 2 ♠.

You have a rather minimum Michaels type hand and you asked partner to choose a Major suit. He chose ♠s. But don't start thinking about what great support you have for his ♠ suit, he doesn't **HAVE** a ♠ suit, he is just supporting yours. In other words, you pass.

The bidding has been as shown.

You have a fair hand with a guaranteed 8-card fit in either Major. You are not, however, strong enough to jump the bidding. So you bid 2♥, which is passed out.

You have a pretty good hand for an Unusual Notrump, but not so good that you wouldn't use the convention. You bid 2NT and partner says 3 ♣. What do you say next?

As mentioned, you have a pretty good hand, but partner only bid because you forced him to and he showed nothing more than minimum. So you pass.
