The bidding has been as shown.

With two 5-card Majors of course you bid 2 ♦.

Partner responds 3 ♣.

This wasn't according to your script. Partner was supposed to choose a Major. The reason he didn't, of course, is that he didn't like either one and figured you would be better in ♣s. So you pass.

The bidding has been as shown.

You don't have a great hand but you **DO** have 4 ♠s.  
So don't let the opponents have a 3-level contract  
when your side has 9 ♠s. Bid 3♠.
