The bidding has been as shown.

Partner is showing both Minors but you are not interested in either one. Bidding notrump is a possibility but with just a single ♠ stopper is not advisable. With 18 points and a 6-card suit you jump in the suit. You bid 3♥ and partner raises to 4♥.

The bidding has been as shown.

When the two Majors have been bid, a Negative Double shows both Minors. So you double. Partner now bids 3 ♦. What do you say next?

This is difficult. You forced partner to bid and he supported your known ♦s. But he didn't jump so you figure him for 13-15 points. Revaluing your hand you get up to 13 points so it is just possible you have a 28 point total. That's not enough for game in ♦s so you pass.

As you can see you will lose 2 ♠s and 1 ♣ so you made the right decision.
