You really don't like partner's ♠s, and you do have 8 points. But 8 points is not enough to be considering game, and you would have to bid your ♥s at the 2-level. All things considered it is better to pass while you still aren't doubled.

You overcall 2♥ and hear partner raise you to 3♥.

No matter how many times you check this hand you cannot revalue it any more than 13 points. Since partner has 10 at the most you reluctantly pass.
