winner for declarer, and left to his own devices, he cannot establish the ♠ winner.

The bidding has been as shown. The contract is 3NT

Lead the ♥3, fourth highest in an attacking suit.

Sometimes it comes down to just this kind of choice.
 Do you lead fourth down from ♠ K 8 7 3 or from
 ♥ Q 10 7 3.

The presence of the ♥10 bolsters the ♥ suit enough
 to give it the edge.

The suits could be arranged something like shown at
 left. With a ♠ lead the presence of the ♠10 in
 dummy allows declarer to make a second ♠ trick,
 which happens to be declarer's ninth trick.

But when you lead the ♥3 it does not promote a ♥
 winner.

Lead the ♥3.

The ♣10 would probably be a very safe lead. But you don't want "safe", you want "attack".

Dummy has advertised a long, strong ♦ suit which declarer will no doubt establish for discards.

It is important for your side to create a winner before your ♦A is forced out. The most likely looking winner is your ♥K. So lead the small ♥ and hope partner has the Queen.
