3NT by North then try to run the ♣Q.			

Not today. Partner takes the ♣K and returns his ♥2 to your four winners.

[showcards W:H8 N:HJ]

The bidding has been as shown. Partner led the ♥8, dummy played the ♥J

Play the ♥9. North played dummy's ♥J to tempt you to cover. Don't fall for it.

Partner's lead of a high spot card shows no honors in the suit. That added to the fact that North bid Notrump after you had mentioned ♥s is pretty good evidence that North holds at least ♥Q x x.

To maintain communication with partner your best hope is to duck the first ♥, but to signal encouragement with the ♥9.

North wins the first trick easily, but must try to establish ♣s. He will enter dummy with the ♠A,

1NT with either 5-4-2-2 or 5-4-3-1 distribution.

[showcards W:C9 N:CT]

The bidding has been as shown. Partner led the ♣9, dummy played the ♣10

Play the ♣6.

Partner's ♣9 is likely from a short suit. If it is a singleton, you should take the ♣A immediately and return the suit for a ruff. If it is a doubleton, you should NOT take your ♣A now, but should hope partner can get the lead and play his second ♣ to your Ace so you can give him the ruff.

You can figure out which it is.

If it is a singleton, then East must hold 5 ♣s. But you know East has 4 ♠s, so if he also has 5 ♣s then he only has 4 red cards, and he would not have opened

So partner's ♣9 is not a singleton, and you should wait. Declarer then runs dummy's ♠Q. Partner wins the ♠K, returns his OTHER ♣ to your ♣A, and NOW you give him the ruff. He takes the ♦A for down 1.
