With 17 points NORTH is not strong enough to insist on game after SOUTH's raise, but is strong enough to invite with a 3♥ bid.

SOUTH, however, doesn't have anything extra, so declines to go further.

This is a classic Notrump bidding sequence.

EAST opens 1NT with 17 points and balanced distribution. WEST, with 9 points is not strong enough to bid game, but invites with 2NT. EAST has a maximum, so she accepts the invitation.

With two 4-card Majors NORTH should respond
"up-the-line", bidding ♥s first.

Then, after SOUTH bids 1♠, NORTH has enough
points to jump all the way to 4♠.
