NORTH thinks slam may be possible, so she uses Blackwood.

And that's what Blackwood is really good for - keeping you out of slams when you are missing two Aces!

EAST knows WEST has at least five ♠s, and they might provide discards for two or three of her minor suit losers.

She tries Blackwood and, sure enough, WEST comes through with two Aces.

Even with all the Aces EAST knows there are not enough points for Grand, so she bids 6♥.
