SOUTH is tempted to go right to 6♥ when she hears NORTH's positive response. BUT, she should use Blackwood first.

It's good thing she did because NORTH admits to only one Ace - they are missing two Aces.

WEST not only has 20 points, he also has a lot of winners. So when EAST jumps to 2NT, showing 13-15 points, WEST uses Gerber.

EAST shows two Aces so WEST decides 6NT will be just right.
