4 ♥ by North

NORTH bids 4♣ after SOUTH's Jacoby 2NT. The reason for this bid is just to describe her hand as having a side 5-card ♣ suit. NORTH knows the eventual contract will be some level of ♥s.

SOUTH doesn't have a strong hand, but he would show ♦ control at this time if he had the Ace. He isn't strong enough to go past game to show the ♠ A, so he just bids 4♥.

WEST should not be tempted to use Jacoby 2NT with this hand. There are only 12 points, and the Limit Raise is a perfect way to show a 12 point support hand.

EAST has more than enough strength to bid game after WEST's limit raise. If WEST had mistakenly used a Jacoby 2NT response, EAST would probably have tried to reach slam, and perhaps gotten too high.
