NORTH bids 3 ♠ to show a strong hand with a singleton ♠.

After SOUTH shows her first-round ♣ control NORTH decides he will bid slam if SOUTH has three Aces.

When Blackwood reveals just two Aces in SOUTH, NORTH stops at 5 ♥.

EAST bids 4♣ after WEST's Jacoby 2NT. The reason for this bid is just to describe her hand as having a side 5-card ♣ suit. EAST knows the eventual contract will be some level of ♥s.

WEST doesn't have a strong hand, but he would show ♦ control at this time if he had the Ace. He isn't strong enough to go past game to show the ♠ A, so he just bids 4♥.

NORTH should not be tempted to use Jacoby 2NT with this hand. There are only 12 points, and the Limit Raise is a perfect way to show a 12 point support hand.

SOUTH has more than enough strength to bid game after NORTH's limit raise. If NORTH had mistakenly used a Jacoby 2NT response, SOUTH would probably have tried to reach slam, and perhaps gotten too high.
