This is the companion hand to Deal 18.

Again, SOUTH uses RKCB after the 4-4 ♠ fit is discovered. This time NORTH shows two Key Cards without the ♠ Q.

Now SOUTH realizes that in addition to one outside Ace, there is a very possible loser in trumps. So she stops at 5♠.

The chances of a slam on this hand are very small, and if EAST decides to use RKCB it will just confuse matters when WEST shows two Key Cards.

EAST has a better way to find out about the hand. She bids 2NT asking WEST to further describe his hand. WEST should then bid 3NT, showing a solid suit headed by AKQ.

WEST cannot have as much as an extra Jack, so EAST just passes 3NT.

SOUTH realizes NORTH has fewer than 8 points, but the 3♠ support bid is enough for her to try a RKCB 4NT bid.

NORTH shows two Key Cards and SOUTH figures they will be the ♠K and one of the red Aces. So she bids 6♠. If instead the Key Cards are the two red Aces SOUTH might possibly make all thirteen tricks with a finesse.
