Just having a 4-card Major doesn't mean you must automatically use Stayman.

Here SOUTH has a 4-card ♠ suit, but decides not to seek a 4-4 fit because his hand wouldn't have any ruffing values in a ♠ contract. He bids 3NT.

Notice that even though NORTH also has four ♠s the 4-4 fit is not useful to them in a ♠ contract because neither hand can ruff any losers.

WEST has an invitational (9 point) hand with five ♠s.

She bids it in the standard way - first transfer EAST to ♠s, then invite the game by bidding 2NT.

EAST, with 17 points and three ♠s, accepts the game invitation and chooses 4♠.
