 ♣ 10 7 2

SOUTH, with 9 points and a 6-card suit, knows they should play in ♠s. The question is: how high?

SOUTH transfers NORTH to ♠s, then invites by raising to 3♠.

NORTH has only two trumps, (good ones, admittedly), but she has a maximum 17 point hand. So she bids the ♠ game.

4♥ by East			

EAST, with a 5-card AND a 4-card Major first uses Stayman.

WEST denies a 4-card Major, so EAST realizes that ♠s are out. He then bids ♥s, promising five of them.

WEST not only has three ♥s, she also has 17 points so she bids 4♥.
