NORTH has no way to tell whether SOUTH can provide one winner or not.

So she takes the bold approach and bids 4♥.

If the opening lead is a ♠ or a ♦ then NORTH will probably make the game. Otherwise she will likely go down one.

Most good players have an extra restriction in their Weak Two-bid guidelines - they won't open with a Weak Two-bid when they hold an outside 4-card Major, even if the hand qualifies otherwise. This Deal shows why.

If WEST opened with 2♠, EAST might well pass and a ♥ game would be missed.

SOUTH responds 2NT, asking for more information.

When NORTH shows a decent hand with a high ♣ SOUTH should bid 3NT.
