The bidding has been as shown.

You open 1NT and partner responds 3♣. What is your next bid?

Partner's jump to 3♣ shows at least 5 ♣s and slam interest. Your hand is good enough to encourage that interest so you bypass 3NT and say 4♣. Partner now bids 4NT. What do you answer?

That is Blackwood. You admit to one Ace and partner bids 6♣.

The bidding has been as shown.

A 1NT overcall is almost the same as a 1NT opening. The range is increased to 15-18, but the main difference is that you **must** have the opponent's suit adequately stopped. Here you certainly have the stopper so you bid 1NT. Partner responds 2♥.

And the responses are the same also. Partner's 2♥ bid is a signoff bid, often called a "drop dead" bid. So even though you really like the ♥s you pass.

♣ 10 8 7 2

With a balanced 20 point hand you open 2NT.

Partner responds 3♠.

Partner is showing a 5-card ♠ suit and at least 5 points. This is a forcing bid; you are to choose between 3NT and 4♠, depending on your ♠ holding. With three of them you bid 4♠.

The bidding has been as shown.

You have 8 points. Even if partner has the maximum 17 it would only add to 25, which is probably not enough to make game. You should pass.

The bidding has been as shown.

With 9 points you have just enough strength for an invitation. So you bid 2NT. Partner then says 3NT and everybody passes.
