Except for the ♠ weakness you have a nice hand. If partner can Help you in that suit then you want to be in game.

So you bid 2♠ and partner bids 4♥. Sometimes it is easy.

You do have 9 points so you are inclined to bid game, but partner needs help in ♦s, and you are bankrupt there. But rather than just signing off, this hand gives you a way to temporize.

You bid 3♥, a bid not covered in the Summary, but which you hope partner will interpret as meaning: "I can't help you in ♦s, but I have some great ♥s."

Apparently partner interpreted it the way you wanted since he bid the game.
