There is no doubt that you could use some help in
♦s. But you need more than that, you need points.
This hand isn't good enough to invite to game so you
pass.

This is not a great hand by any means. If partner had invited with a 3♠ bid you might have passed. But he invited with a 3♥ bid, asking if you can Help him take care of losers in that suit. And you have loads of Help. Not only do you have a high honor but you can ruff the third round. So you bid 4♠.

You might make a Help Suit Game Try in ♣s, but with 19/20 points in your own hand you should just bid the game yourself. So you bid 4♠.

Partner is inviting you to bid game, and your 8 points are right in the "judgement" area.

But he has asked you to use judgement based on your ♦ holding, which is awful. So you sign off at 3♥.

You are almost strong enough to bid the game right now, but you are worried about ♣s. If partner can Help out in that suit you'd be willing to try for 10 tricks. So you make a Help Suit Game Try of 3♣. Partner replies 3♥. What do you say next?

When you ask partner to make a judgement call and he does so, you don't then override that call. You pass.

Partner is worried about his ♥ losers and you can certainly take care of some of them. So even though you only have 6 HCP you bid 4♠.
