6♥ by North

North opens 1NT.

You have another big hand. And with a 4-card Major you start with 2♣. Partner answers 2♥ and it's your turn again.

What with your singleton ♠ you certainly have enough points for slam. But since it's possible partner has only one Ace you check with Blackwood. Partner says 5♥ and you say . . . What?

Missing one Ace you bid 6♥.

East opens 1NT.

This may go against your instincts, but if you're going to play Stayman then you should follow the rules. Granted that you have a great ♠ suit, you also have 4 ♥s. And when you have a 4-card Major you use Stayman. You bid 2♣ and partner says 2♥.

That is why you used Stayman - to uncover a 4-4 Major suit fit. Having done so you know that you will play in ♥s and you have enough points to bid game. You bid 4♥.

North opens 1NT.

Yes, this is the same hand as Deal 8. Again you bid 2♣. This time partner says 2♦.

You need to describe your hand clearly to partner with this bid. You want to show a game-forcing hand (11 points or more) with 4♥s and 5♠s. You do that by now jumping to 3♠.

If partner had just 2♠s he would have bid 3NT. Since he has 3♠s he bids 4♠.

West opens 1NT.

Even when you hold a 6-card Major, if you have 4 cards in the other Major you use Stayman. Partner answers 2♠.

You've found an 8-card Major fit and you know there are enough points for game. So you bid 4♠.

Yes, but you already knew you had an 8-card ♥ fit since partner's 1NT promised at least 2 ♥s. In fact, you could play game in either Major. However, it is often better to play in a 4-4 fit rather than a 5-3 or 6-2. This hand shows why. Played in ♥s you will make exactly 10 tricks with any opening lead. Played in ♠s you will again make 10 tricks when the defenders start with their 3 ♣ winners. If they start with anything else you are very likely to make 1 or 2

4♥ by North

This is the follow-up to Deal 10. South opens 1NT.

Just like the previous deal with a 4-card Major you use Stayman. This time partner says 2♦. Your turn again.

With partner showing no 4-card Major the bidding takes a turn. With your 6 ♥s you are sure of an 8-card fit in the suit. With 11 points you must be sure of reaching game. So you bid 4♥.

In this case the strong hand does not become declarer, but the contract is the right one anyway.

2NT by East

You open 1NT and partner responds 2♣.

Partner has commanded you to bid a 4-card Major if you have one. You have one, so you bid 2♠. Partner now says 2NT.

Partner evidently has 4 ♥s. He also evidently has about 9 points since he is INVITING you to bid 3NT. With your minimum 15 points you decline the invitation by passing.
