With the two lowest unbid suits you bid 2NT. Partner jumps to 4♦.

Partner probably has a good hand, but he might just be preempting. Assuming he is inviting you to bid game you have a tough decision. You are not very strong but you might have been a couple of points weaker. It is strictly a judgement call and we decide to pass.

As you can see, **IF** they open the lead with a ♣, and **IF** the ♥ finesse then works, you can make 5♦.

As you have figured out by now, using Michaels Cue-Bids / Unusual Notrump is sometimes hard to tie down. Here you have 13/14 points and if you figure partner for 9 that won't be enough for game. But, those two Minor Aces are worth a lot when you figure partner has only 3 Minor suit cards.

So let's say you decide to just invite with 3 ♠. Partner takes you to game.

You will surely make this game if trumps split 2-2. If they don't then you will have to hope for a defensive mistake.

With 5 cards in the "other" Major and a 5-card Minor you bid 2♠, Michaels of course. Partner bids 2NT. What do you say next?

Is it possible that partner wants to play Notrump? Not at all. He hates ♥s and wants you to bid your Minor suit. So you say 3♦ and he passes.

The bidding has been as shown.

Partner asked you to choose between ♥s and ♦s so you bid 3♦. He then raises you to 4♦.

If you say to yourself "I only have 7 HCP" then you might pass. But if you say "Partner invited me to bid game, even though I might have no points and only 3 trumps. I'm a lot better than that.", then you will accept the invitation. So you bid 5♦ and everybody passes.
