You'd really like to have 4-card support for both Majors when you double a Minor. But it's not a requirement. So you double and hear partner respond 2 ♦. West then chips in with 3 ♦. What now?

Don't let West's bid bother you, he's just trying to push the envelope. You have a good hand and partner's bid shows 12+ points and is forcing to game. Now you have to find the right game, and the best way to start is by showing a 4-card Major suit. You bid 3 ♠.

That was what partner needed to hear, he bids 4 ♠.

The bidding has been as shown.

The minimum requirements for a Takeout Double are 12 points, no more than two of Opener's suit, and at least 3-cards in the other suits. You just squeak by so you double. Partner says 1NT and it is your bid again.

With no suit fit you can't even count a point for your doubleton so you have just 13 HCP. Partner's bid shows 8-10 so you waste no time in passing. Don't worry about the ♠s, partner says he has them covered.

The bidding has been as shown.

Partner is showing you 8-10 points and no 4-card ♥ suit.

With no Major fit you are happy to play in notrump, knowing partner can stop their suit. Partner's 8-10 points added to your 17 is a probable game so you bid 3NT.

You have 16 HCP and two more points for the fifth and sixth ♥s. That is too strong for a simple overcall. Instead you double. Partner responds 2 ♣.

You bid 2 ♥, describing your hand as a 1-suited hand, too strong to merely overcall. Partner bids the ♥ game and you pass.

You should double. This is a special case of the Takeout Double, where the opponents have already bid two suits before it gets to you. Since they apparently have at least 20 points, you should have a solid hand with at least 4-4 in the two unbid suits. A hand just like this one.

Partner bids 2 ♦. What do you say next?

Just pass. This is obviously a fight for the partscore and you have the advantage because you have found a fit. However, you suspect partner is quite weak.
