SOUTH's 2♥ raise shows 6-10 points and a least three trumps.

NORTH, with 19+ points, decides that game is almost a certainty and bids 4♥.

EAST has an ideal 1NT opening - 15 points and balanced distribution.

With 12 points, WEST knows the partnership total is between 27 and 29, enough for game but not enough to think about slam. Since WEST has no 4-card Major suit she bids 3NT.

With 6 points, SOUTH must respond to NORTH's 1♣ opening bid. While it is often correct to respond by bidding suits "up-the-line", SOUTH should skip over the weak ♦ suit in favor of showing the 4-card Major ♠ suit.

NORTH knows that SOUTH may only have four ♠s, but with four of her own she can support the suit. Since she has a minimum opening bid she merely raises to 2♠. With his minimum response hand SOUTH passes.

With 17 points WEST is not strong enough to insist on game after EAST's raise, but is strong enough to invite with a 3♥ bid.

EAST, however, doesn't have anything extra, so declines to go further.

This is a classic Notrump bidding sequence.

NORTH opens 1NT with 17 points and balanced distribution. SOUTH, with 9 points is not strong enough to bid game, but invites with 2NT. NORTH has a maximum, so she accepts the invitation.

With two 4-card Majors WEST should respond
"up-the-line", bidding ♥s first.

Then, after EAST bids 1♠, WEST has enough points
to jump all the way to 4♠.
