SOUTH is tempted to go right to 6♥ when she hears NORTH's positive response. BUT, she should use Blackwood first.

It's good thing she did because NORTH admits to only one Ace - they are missing two Aces.

NORTH not only has 20 points, he also has a lot of winners. So when SOUTH jumps to 2NT, showing 13-15 points, NORTH uses Gerber.

SOUTH shows two Aces so NORTH decides 6NT will be just right.

When SOUTH gives immediate ♠ support, NORTH's thoughts naturally turn to slam. This is a good hand to use Blackwood on, so NORTH bids 4NT.

SOUTH's 5♦ answer shows one Ace, which NORTH cleverly deduces must be the ♣A.

NORTH bids 6♠ since SOUTH has not bid strongly enough to think about 7.

♣ -

NORTH expects to bid 2NT at his second turn, but SOUTH gives a positive 2♥ response and his thinking changes! First he supports ♥s, setting the trump suit.

SOUTH then bids 3♠, showing first round control. NORTH tries 4NT (Blackwood) and SOUTH replies 6♣. This shows a ♣ void and one Ace, obviously the ♠A.

NORTH bids 6♥, knowing they must lose the ♦A.
