3♠

All Pass

3♠ by South

If East had passed, SOUTH would have opened with a preemptive 3♠.

She should make the same bid with the same hand AFTER the opponents open. And she makes it for the same reason, to describe her hand and to take away bidding space from the opponents.

NORTH treats it just like a Preemptive 3-bid, even though it is now called a Weak Jump Overcall. In this case, NORTH passes.

SOUTH has 12 points, but with two 5-card suits worthy of an overcall. There isn't really a right and wrong here, but it usually works out best to overcall in the higher-ranking suit. That leaves open the possibility of bidding the second suit later.

In this Deal, after SOUTH overcalls 1♠, that later possibility never happens because everybody should pass.

WEST has 13 points but she has to pass. She cannot Double without support for ♥s. She cannot bid 1NT without 2 more points. She cannot overcall 2♣ with a terrible suit like that.

And EAST of course must also pass.

1 ♠ by South

WEST obviously has to pass when SOUTH opens 1 ♠.

EAST has a reasonable Takeout Double. She hopes WEST will name a suit and they can just play a partscore.

You should almost always bid when partner makes a Takeout Double. Almost always. This is the one time when you don't. WEST's ♠ are so good that he passes, converting the Takeout Double into a Penalty Double.

SOUTH has a normal overcall of 1 ♠.

NORTH has a really good hand, but he doesn't have to worry about missing a slam since SOUTH will not have more than 16 points. So he just bids what he thinks SOUTH can make, 4 ♠.

West	North	East	South
1 ♦	1 ♥	Pass	1NT
All Pass			
1NT by South			

NORTH has 12 points and a good enough suit to overcall 1 ♥.

SOUTH has 9 points with a good ♦ stopper. She bids 1NT.

NORTH has nothing more to say, and lets SOUTH play 1NT.
