4NT by North

What is this doing here in the RKCB Practice Pages?

To emphasize that there are many 4NT bids which are NOT asking for Aces.

In this case, NORTH showed a balanced hand with 18 or 19 points, and SOUTH invited him to bid 6NT if he felt his hand was a "maximum". He didn't, so he passed.

When WEST makes a Splinter bid, showing ♥ support and ♣ shortness, EAST naturally thinks about slam.

She uses RKCB 4NT, and WEST, with one Key Card and a ♣ Void, bids 6♣.

Just what EAST needed for the 6♥ bid.

NORTH thinks they should be in slam, and uses Stayman to check for a 4-4 Major fit.

When SOUTH announces four ♠s NORTH uses RKCB 4NT.

SOUTH's 5♠ bid shows two Key Cards plus the ♠Q.

This fills the holes in NORTH's hand nicely, so she bids 6♠.

5♠ by West			

This is the companion hand to Deal 18.

Again, EAST uses RKCB after the 4-4 ♠ fit is discovered. This time WEST shows two Key Cards without the ♠ Q.

Now EAST realizes that in addition to one outside Ace, there is a very possible loser in trumps. So she stops at 5♠.

The chances of a slam on this hand are very small, and if NORTH decides to use RKCB it will just confuse matters when SOUTH shows two Key Cards.

NORTH has a better way to find out about the hand. She bids 2NT asking SOUTH to further describe his hand. SOUTH should then bid 3NT, showing a solid suit headed by AKQ.

SOUTH cannot have as much as an extra Jack, so NORTH just passes 3NT.
