NORTH has a perfect hand for an opening bid of 2 ♠.

SOUTH will be tempted to respond with his opening hand and good trump support, but he should resist the temptation. To raise a Weak Two-bid to game you should have quick winners, not just points.

EAST has the same hand as in Deal 1 and again opens 2♠.

This is the type of hand WEST needs to bid game. Notice that even with all those winners the pair is nowhere close to having a slam. They will probably make just ten tricks.

Once more, SOUTH has the same hand as Deals 1 and 2.

This time NORTH has a very poor hand without any chance of making game. However, he should bid 4♠ anyway.

It is very likely that the opponents can make 4♥ if East gets the opportunity to get into the bidding. Hopefully the 4♠ bid will shut him out, and 4♠ probably won't go down more than a couple of tricks.

WEST has a pretty normal preemptive 3♦ bid.

EAST has the equivalent of an opening 1NT bid and will be very tempted to bid 3NT.

That might turn out to be a disaster, particularly if EAST is unable to reach the WEST hand.

EAST should assume WEST can win six tricks if ♦s are trumps. Thinking this way points EAST to her best call - PASS.

Here SOUTH has the kind of hand you need to raise a preempt to game.

SOUTH assumes that NORTH has a hand with six winners in it. He can provide four more, so that is just enough for game. He bids 4♥.
