NORTH has a 7-card ♠ suit but he is too strong to open with a preemptive bid. So he opens 1 ♠ instead.

SOUTH should respond 2 ♣, and NORTH can do nothing but rebid the ♠ suit.

SOUTH thinks there should be game and bids 4 ♠

EAST is too weak to open 1♥ but just right for 2♥.

Wow! WEST has 21 HCP and two good ♥s. Could this be time for a slam try?

Nope, no slam here. Suppose EAST has six ♥s headed by the AK. The trump suit would certainly be solid, but then EAST couldn't possibly have an outside Ace as well or he would have been too strong for a Weak-two opening. So WEST just bids 4♥.

NORTH really hates that 2♥ opening by SOUTH.

But there's no sense bidding and probably making matters worse, so she grits her teeth and passes.

If you think 3NT has a chance you are delusional.

WEST expects to be better off in ♠s than EAST would be in 2♥.

Whether or not you play a new suit as a one round force or not, EAST should make the 3♠ bid with a hand this good. WEST then bids the ♠ game.

6♥ by North

NORTH has a pretty normal 3♥ opening bid.

SOUTH, however, has a big hand, and she launches into Blackwood.

When NORTH shows one Ace SOUTH can bid 6♥ with confidence.
