4♥ by North

NORTH is too weak to open 1♥ but just right for 2♥.

Wow! SOUTH has 21 HCP and two good ♥s. Could this be time for a slam try?

Nope, no slam here. Suppose NORTH has six ♥s headed by the AK. The trump suit would certainly be solid, but then NORTH couldn't possibly have an outside Ace as well or he would have been too strong for a Weak-two opening. So SOUTH just bids 4♥.

WEST really hates that 2♥ opening by EAST.

But there's no sense bidding and probably making matters worse, so she grits her teeth and passes.

If you think 3NT has a chance you are delusional.

SOUTH expects to be better off in ♠s than NORTH would be in 2♥.

Whether or not you play a new suit as a one round force or not, NORTH should make the 3♠ bid with a hand this good. SOUTH then bids the ♠ game.

WEST has a pretty normal 3♥ opening bid.

EAST, however, has a big hand, and she launches into Blackwood.

When WEST shows one Ace EAST can bid 6♥ with confidence.

SOUTH doesn't have much of a 3♣ opening bid.

But NORTH has just the type of hand you need to bid 3NT after partner's preempt. The other three suits well stopped, and certain entry in Opener's long suit. Notice here that 3NT is a good contract, but 5♣ would go down 1.

When EAST opens with a Weak 2♥ bid, WEST knows she will force to game but is thinking about slam.

But first she needs to know if EAST has anything extra. She bids 2NT to get more information.

EAST returns to ♥s to show bare minimum so WEST settles for game.
