The 2NT response to a Weak Two opening is a wonderful tool. You can learn a lot about partner's hand and you are absolutely certain that it will not be passed out.

In this Deal NORTH has a huge hand and SOUTH opens 2♦. There are a lot of approaches NORTH might try, but the simplest is to start with 2NT.

When SOUTH shows ♦ A K Q x x x NORTH has an easy 6NT bid.

WEST is unsure whether to bid game or not. So she temporizes with 2NT.

EAST shows an above average hand plus a high card in ♥s.

WEST is no longer unsure, so she bids 4♠.

NORTH is unsure whether to bid game or not, so he bids 2NT to get more information about SOUTH's hand.

SOUTH's 3♠ is discouraging, a hand below average in strength and no outside high card.

NORTH passes and hopes for the best.

WEST has no way to tell whether EAST can provide one winner or not.

So she takes the bold approach and bids 4♥.

If the opening lead is a ♠ or a ♦ then WEST will probably make the game. Otherwise she will likely go down one.

Most good players have an extra restriction in their Weak Two-bid guidelines - they won't open with a Weak Two-bid when they hold an outside 4-card Major, even if the hand qualifies otherwise. This Deal shows why.

If SOUTH opened with 2♠, NORTH might well pass and a ♥ game would be missed.
