

Strong 2-♣ Opening

Open 2♣ on any hand containing 22 or more points.

OR, open 2♣ with a hand containing 19-21 points and with 9+ playing tricks.

There are several methods of responding. For these Deals use the 2♦ Negative for all hands with 7 or fewer points. Any other response shows 8 or more points.

The 2♣ bid is artificial; Opener's second bid describes her hand.

2NT shows a balanced 22-24 point hand

3NT shows a balanced 25-27 point hand

2 of a suit shows a 5-card or longer suit

With a very weak hand (0-3 points) Responder should bid the "second negative" at his second turn. This is usually 3♣, but if Opener bids 3♣ then it is 3♦. If Opener should bid 3♦ at his second turn the second negative bid is 3♥.

Later bidding depends on the partnership, but unless particular conventions are in use then later bidding is natural.

NORTH has both Majors and enough points to open 2♣. SOUTH, with 4 points, responds with a negative 2♦.

NORTH first bids her higher ranking suit, 2♠. SOUTH is too strong for second negative, he bids 2NT.

NORTH now shows her second suit, 3♥.

SOUTH is happy to bid the game in ♥s.

EAST has a balanced hand with 23 points. He opens 2♣ and expects to rebid 2NT.

WEST has 12 points so makes a positive response in her best suit. Since that suit is ♦s she must jump to the 3-level.

EAST now describes his balanced, minimum hand by bidding 3NT.

WEST bids 6NT, knowing that the partnership holds at least 34 points.

NORTH, with 9 points and a 5-card suit, should make a positive response, 2♠.

SOUTH bids her ♥s and NORTH agrees the trump suit with a 4♥ bid.

SOUTH thinks there is a slam, so she invokes Blackwood. Hearing that NORTH holds two Aces she bids 6NT. She could also have bid 6♥ but 6NT scores a little more.

EAST has 5 points, so she responds 2♦ to WEST's opening 2♣ bid.

WEST bids his 5-card ♠ suit.

EAST is too good for the second negative, so she supports WEST's ♠.

WEST doesn't have enough to think about slam, so he signs off at 4♠.
