With 14 points you will insist on game, but you aren't strong enough to jump shift. So you bid 1 ♠. Partner rebids 1NT.

Partner has a minimum hand, balanced. You know you want to be in game, but you aren't sure which game. If partner has only 2 ♠s then 3NT should be best. But if he has 3 ♠s then you would prefer to play the 8-card Major fit. The way to find out is with New Minor Forcing. So you bid 2 ♦. Partner answers with 2 ♠.

Partner tells you he has 3 ♠s. You already know he has a minimum strength hand. You bid the ♠ game.

With 13 points and 4 cards in each minor suit you should open 1♦. Partner responds 1♠.

You have a minimum, balanced hand. It would not be wrong to say 2♣, but 1NT is probably better. Partner says 2♣.

Do not support the ♣s if you have another decent bid. This is New Minor Forcing and partner may or may not have a ♣ suit. You do not have 3 ♠s. You do not have a 4-card ♥ suit. You do have a ♥ stopper, so bid 2NT. Partner then bids 3NT.

With 12 points you know game is likely, but for now you bid 1♥. Partner rebids 1NT. What do you say next?

Partner has 12-14 points, balanced. If he is at the top, game could still be there, but you aren't sure where to play. If partner has only 2♥s then NT is probably best, but if he has 3♥s then you would prefer to play the 8-card Major fit. New Minor Forcing will allow partner to answer both questions for you. So you bid 2♣. Partner answers with 2♥.

Partner tells you he has 3♥s. But he also tells you he has minimum strength - in other words not 14 points. So you pass and accept the partscore.

With 13 points you open your 4-card minor, 1♦.

Partner responds 1♠.

You have a great ♥ suit, but can't bid it. A 2♥ bid here would be a Reverse and you are nowhere near strong enough. So instead you say 1NT.

Partner says 2♣.

This is New Minor Forcing and your first priority is to show a 4-card ♥ suit. You bid 2♥ and partner raises to 4♥.

With 14 points you open your 4-card minor, 1♣.
 Partner responds 1♥.

This is easy. You cannot support ♥s at this point with only 3 cards. So you rebid 1NT.

Partner says 2♦.

This is New Minor Forcing. Partner wants to know if you have 3 ♥s. Not only do you have 3 good ♥s, but you also have a maximum hand. So you jump to 3♥ and partner bids the game.

You have 12 points and you respond 1♠. Partner rebids 1NT. What do you say next?

Partner has 12-14 points, balanced. You have an excellent 4-card ♥ suit, but if you bid 2♥ right now it is not forcing on partner and he will almost surely pass. And you definitely don't have the points to jump to 3♥. New Minor Forcing gives you a way out.

So you say 2♦ and your wonderful partner bids 2♥. What now?

Your 12 points just got upgraded! Bid 4♥.

With 15 points you are going to insist on game. First you respond 1♥. Partner rebids 1NT. What do you say next?

Partner has 12-14 points, balanced. You are happy with notrump, but would prefer to play in ♥s if partner has three cards in the suit. To find out if he does, use New Minor Forcing.

So you say 2♣ and partner replies 2NT. It is your bid again.

Partner doesn't have 3♥s. That's what you wanted to know, you bid 3NT.

You have 14 points and you respond 1♠. Partner rebids 1NT. What is your next bid?

Partner has 12-14 points, balanced. You will insist on reaching game, but don't know whether 3NT or 4♠ is going to be the best spot. It depends on whether partner has 3♠s. So of course you use NMF.

You bid 2♦ and partner then says 2♥. Where do you go from here?

OK, partner has a 4-card ♥ suit - may or may not have 3♠s. Since you don't have 4♥s you bid 3NT, leaving it up to partner to correct to 4♠ if he has 3 of them.

You have 16 points and you respond 1 ♠. Partner rebids 2NT. What is your next bid?

Partner has 18-19 points, balanced, with 5 ♥s. You are going to bid a slam, either 6NT or 6 ♠, depending on whether partner has 3 ♠s. Time for New Minor Forcing.

You bid 3 ♣ rather than 3 ♦ just because your ♣s are stronger. Partner now says 3NT.

Partner does not have 3 ♠s. That was the information you needed, so you bid 6NT.

You have 13 points and you open 1 ♦. Partner responds 1 ♠.

With a minimum opener you now bid 1NT. Partner says 2 ♣. What do you say next?

This is NMF, asking you to further describe your hand - and you are stuck for a bid. You do not have 4 ♥s. You do not have 3 ♠s. You do not have a stopper in either ♥s or ♣s so you cannot bid 2NT. Reluctantly you rebid your 5-card ♦ suit.

Then you breathe a sigh of relief when partner says 3NT.
