The bidding has been as shown.

This is a really good hand for Unusual Notrump. You bid 2NT and partner says 3 ♠.

Partner apparently has a big hand. His cue-bid is forcing, and probably means he wants to be in game. But for now you can just show your minimum strength and give a suit preference. You bid 4 ♣ and partner raises to 5 ♣.

Many times at Bridge you want to fight for the contract. This isn't one of them. With 6 HCP and only four cards total in partner's two suits just let the opponents have it. You pass.

The bidding has been as shown.

With two 5-card Majors of course you bid 2 ♦.

Partner responds 3 ♣.

This wasn't according to your script. Partner was supposed to choose a Major. The reason he didn't, of course, is that he didn't like either one and figured you would be better in ♣s. So you pass.

The bidding has been as shown.

You don't have a great hand but you **DO** have 4 ♠s.

So don't let the opponents have a 3-level contract when your side has 9 ♠s. Bid 3 ♠.

Note: See the Law of Total Tricks Lesson on this topic.
