The bidding has been as shown. It is your turn.

You have 14 points but so what. You have no 5-card suit to Overcall. You cannot make a Takeout Double with 4 of their suit. So you pass. It is important to realize that there are hands you would open but cannot overcall with.

The bidding has been as shown.

With four trumps and 12 points you have a text-book raise to 3♥. Partner had a minimum overcall though, so he passed.

The bidding has been as shown.

With 12 points and a good suit you have a very solid overcall so you bid 1♥. Partner responds 2♥.

Partner is showing 6-10 points and three trumps. Your hand revalues to 14 at most so you pass.

The bidding has been as shown.

You really don't like partner's ♠s, and you do have 8 points. But 8 points is not enough to be considering game, and you would have to bid your ♥s at the 2-level. All things considered it is better to pass while you still aren't doubled.

The bidding has been as shown.

You overcall 2 ♥ and hear partner raise you to 3 ♥.

No matter how many times you check this hand you cannot revalue it any more than 13 points. Since partner has 10 at the most you reluctantly pass.

The bidding has been as shown.

With only 7 points you might not think you have enough to make a "free bid". But in competitive bidding situations like these, where both sides have a fit, bidding is usually better than passing. So you bid 2♠.

You might look at the Law of Total Tricks lesson for more on this subject.
