This is almost the hand you held in Deal 4 - just 3 points stronger in ♦s. So you double, and again partner jumps to 2♠.

That extra 3 points makes all the difference. With that singleton ♥ your hand is now worth at least 16 points. Add partner's 9, 10 or 11 and you are at game level. Bid 4♠.

You'd really like to have 4-card support for both Majors when you double a Minor. But it's not a requirement. So you double and hear partner respond 2 ♦. East then chips in with 3 ♦. What now?

Don't let East's bid bother you, he's just trying to push the envelope. You have a good hand and partner's bid shows 12+ points and is forcing to game. Now you have to find the right game, and the best way to start is by showing a 4-card Major suit. You bid 3 ♠.

That was what partner needed to hear, he bids 4 ♠.

The minimum requirements for a Takeout Double are 12 points, no more than two of Opener's suit, and at least 3-cards in the other suits. You just squeak by so you double. Partner says 1NT and it is your bid again.

With no suit fit you can't even count a point for your doubleton so you have just 13 HCP. Partner's bid shows 8-10 so you waste no time in passing. Don't worry about the ♠s, partner says he has them covered.

The bidding has been as shown.

Partner is showing you 8-10 points and no 4-card ♥ suit.

With no Major fit you are happy to play in notrump, knowing partner can stop their suit. Partner's 8-10 points added to your 17 is a probable game so you bid 3NT.
