Compare this hand with Deal 6. NORTH has five ♠s, this time so she bids 1 ♠.

SOUTH knows there IS an 8-card fit in ♠s, so he bids 2 ♠.

NORTH has 10 points so she passes.

NORTH has 11/12 points, a Limit Raise in ♥s. So after the overcall he makes a Support Cue-bid of 2♠.

SOUTH adds her 16 to the 11 that NORTH has promised as a minimum and goes straight to 4♥.

If NORTH had significantly more than 11 he could bid on, but in this case he should happily pass.

South

3♥

Compare this with Deal 8.

SOUTH has 7 points, barely enough for a 2♥ raise if there had been no overcall. But when EAST puts in the ♠ bid, SOUTH can jump to 3♥ as a preemptive measure. He knows NORTH won't think he has strength because he did not make a Support Cue-bid.

NORTH does know it and passes 3♥.

NORTH has the strength for a raise to game in ♠s, but this could be dangerous since SOUTH has overcalled rather than opened. Instead, NORTH shows her strength with a Support Cue-bid.

SOUTH in fact had a pretty good overcall so he jumps to 3♠ and NORTH bids the game.

With a weak overcall SOUTH would have just returned to 2♠ which NORTH would pass.

SOUTH has a maximum 1♥ opening bid.

NORTH would have made a Limit Raise in ♥s, but after WEST's overcall she makes a Support Cue-bid instead.

SOUTH thinks there may be a slam and bids 4NT Blackwood to check for Aces. When NORTH admits to one Ace SOUTH bids the slam.
