NORTH has 13 points so he must open. He has five ♥s so he should open 1 ♥.

SOUTH, with 14 points and four ♥s knows there are enough points for a game contract and at least nine ♥s between the partners. She who KNOWS, GOES, so SOUTH bids 4 ♥.

This is similar to Deal 13.

SOUTH has 20 points, a pretty strong hand to open 1♥.

NORTH has 12 points, and makes a Limit Raise, a jump to 3♥.

SOUTH is very, very close to bidding a slam. But she knows NORTH has 12 points at most, so she should take the safe position and just bid 4♥.

SOUTH passes to start with since he only has 9 points.

NORTH naturally opens 1♠ with her 13 point, 5-card ♠ suit hand.

SOUTH might now make a Limit Raise since his hand is now worth 11 points because of the two doubletons. However, with six trumps he should jump all the way to 4♠.

SOUTH has 20 points, counting two extra for the fifth and sixth ♠s. Naturally she opens 1 ♠.

NORTH has a poor hand, but with 7 points he must respond. He has four of partner's ♠s so he responds 2 ♠.

SOUTH KNOWS that $6 + 20 = 26$, so she GOES to 4 ♠.

NORTH has 20 points, but with a 5-card Major opens 1♥ rather than 2NT.

SOUTH barely has enough points for a response, but she does have four ♥s. So she responds 2♥.

NORTH adds SOUTH's 6 to his 20 and bids the game, 4♥.
