NORTH is unsure whether to bid game or not, so he bids 2NT to get more information about SOUTH's hand.

SOUTH's 3♠ is discouraging, a hand below average in strength and no outside high card.

NORTH passes and hopes for the best.

SOUTH has no way to tell whether NORTH can provide one winner or not.

So she takes the bold approach and bids 4♥.

If the opening lead is a ♠ or a ♦ then SOUTH will probably make the game. Otherwise she will likely go down one.

Most good players have an extra restriction in their Weak Two-bid guidelines - they won't open with a Weak Two-bid when they hold an outside 4-card Major, even if the hand qualifies otherwise. This Deal shows why.

If NORTH opened with 2♠, SOUTH might well pass and a ♥ game would be missed.

SOUTH responds 2NT, asking for more information.

When NORTH shows a decent hand with a high ♣
SOUTH should bid 3NT.
