NORTH has a perfect hand for an opening bid of 2 ♠.

SOUTH will be tempted to respond with his opening hand and good trump support, but he should resist the temptation. To raise a Weak Two-bid to game you should have quick winners, not just points.

Once more, SOUTH has the same hand as Deals 1 and 2.

This time NORTH has a very poor hand without any chance of making game. However, he should bid 4♠ anyway.

It is very likely that the opponents can make 4♥ if East gets the opportunity to get into the bidding. Hopefully the 4♠ bid will shut him out, and 4♠ probably won't go down more than a couple of tricks.

WEST has a pretty normal preemptive 3♦ bid.

EAST has the equivalent of an opening 1NT bid and will be very tempted to bid 3NT.

That might turn out to be a disaster, particularly if EAST is unable to reach the WEST hand.

EAST should assume WEST can win six tricks if ♦s are trumps. Thinking this way points EAST to her best call - PASS.

SOUTH is too weak to open 1♥ but just right for 2♥.

Wow! NORTH has 21 HCP and two good ♥s. Could this be time for a slam try?

Nope, no slam here. Suppose SOUTH has six ♥s headed by the AK. The trump suit would certainly be solid, but then SOUTH couldn't possibly have an outside Ace as well or he would have been too strong for a Weak-two opening. So NORTH just bids 4♥.
