

Basic bidding Notrump raises Major suit raises

This set of practice deals focuses on basic bidding situations. There are no conventions used except for one deal which uses Blackwood. Even that is optional.

The deals are designed with the beginning player in mind, or perhaps those who feel the need to refresh themselves on the fundamentals of bidding.

The purpose of these deals is to provide practice in finding a fit and deciding whether to stop at a part score, bid game or bid slam.

Keep in mind:

- a combined 8-card trump fit is desired to play in a suit
- it takes 26 points to make game in Notrump or a Major suit
- it takes 33 points to make small slam

NORTH has a minimum 1♠ opening bid - 13 points and five trumps. She doesn't even suspect what's about to befall!

SOUTH hears the 1♠ bid and all he wants to know is whether NORTH has one, two or three Aces. So he uses the Blackwood convention, 4NT.

NORTH has two Aces so she bids 5♥ (5♣ would show zero Aces, 5♦ would show one Ace, etc).

SOUTH has heard enough and bids 6♠.

EAST has an above-minimum strength hand with a good 6-card suit. He opens 1♥.

WEST, with 9 points, is a little too weak to bid at the 2-level so she bids a catchall 1NT.

EAST shows his 6-card suit and extra strength by jumping to 3♥, which WEST raises to 4♥ since two trumps is now adequate support.

SOUTH has 14 points and opens her 4-card ♣ suit.

NORTH must respond, and with two 4-card Majors bids them "up-the-line", saying 1 ♥.

SOUTH now shows his 4-card ♠ suit, and NORTH again must bid. Since NORTH is pretty weak he just raises to 2 ♠, which SOUTH happily passes.

WEST has a maximum 17 point 1NT bid.

EAST, with 16 points, can't tell if there are enough points for slam. If WEST has 17 points then a slam should be makeable, but if WEST has only 15 points then he should settle for game.

The 4NT raise solves the problem. It tells WEST to bid 6NT with 17 points, pass with 15 points, and use best judgment with 16. Here WEST bids the slam.
