

Strong 2-♣ Opening

Open 2♣ on any hand containing 22 or more points.

OR, open 2♣ with a hand containing 19-21 points and with 9+ playing tricks.

There are several methods of responding. For these Deals use the 2♦ Negative for all hands with 7 or fewer points. Any other response shows 8 or more points.

The 2♣ bid is artificial; Opener's second bid describes her hand.

2NT shows a balanced 22-24 point hand

3NT shows a balanced 25-27 point hand

2 of a suit shows a 5-card or longer suit

With a very weak hand (0-3 points) Responder should bid the "second negative" at his second turn. This is usually 3♣, but if Opener bids 3♣ then it is 3♦. If Opener should bid 3♦ at his second turn the second negative bid is 3♥.

Later bidding depends on the partnership, but unless particular conventions are in use then later bidding is natural.

NORTH has lots of points - 26 to be exact. She opens 2♣. In the old days this hand would have been opened 3NT.

SOUTH has 4 points and responds 2♦.

NORTH now shows her full strength by jumping to 3NT (25-27 points, balanced).

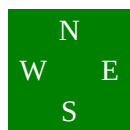

SOUTH knows there is no slam, so he passes 3NT.

EAST has 22 points and opens 2♣.

WEST is pretty weak, right? She responds 2♦.

EAST bids his suit, 2♥.

WEST is so weak she bids the second negative - 3♣.

EAST rebids his suit, 3♥, and WEST passes.

NORTH has a nice 2♣ opening hand.

With 8 points, SOUTH can make a positive response so he bids his 5-card ♥ suit.

NORTH likes ♥s, knows there are at least 33 points, but needs to make sure the opponents don't have two Aces so she uses Blackwood.

When SOUTH shows one Ace NORTH bids 6♥.

EAST opens 2♣ and is pleased when WEST makes a positive response of 2♠. His first step is to set the trump suit by bidding 3♠. There is NO chance that WEST will pass.

WEST now bids 4♣ a Control-showing bid. EAST continues Control-showing with 4♦.

That's enough for WEST to hear. She invokes Blackwood and learning they have all the Aces bids 7♠.
