

Strong 2-♣ Opening

Open 2♣ on any hand containing 22 or more points.

OR, open 2♣ with a hand containing 19-21 points and with 9+ playing tricks.

There are several methods of responding. For these Deals use the 2♦ Negative for all hands with 7 or fewer points. Any other response shows 8 or more points.

The 2♣ bid is artificial; Opener's second bid describes her hand.

2NT shows a balanced 22-24 point hand

3NT shows a balanced 25-27 point hand

2 of a suit shows a 5-card or longer suit

With a very weak hand (0-3 points) Responder should bid the "second negative" at his second turn. This is usually 3♣, but if Opener bids 3♣ then it is 3♦. If Opener should bid 3♦ at his second turn the second negative bid is 3♥.

Later bidding depends on the partnership, but unless particular conventions are in use then later bidding is natural.

SOUTH has a minimum 2♣ opening.

NORTH, with 8 points and a 5-card suit, should make a positive response, 2♠.

SOUTH shows the ♠ support first, to set the trump suit, and to give NORTH an opportunity for a move toward slam if he wants to do so.

NORTH would now make a Control-showing bid IF HE HAD A CONTROL. Since he doesn't he just returns to 4♠ which SOUTH passes.

WEST, with 22 points and balanced, opens 2♣, expecting to rebid 2NT.

But EAST responds a positive 2NT, showing a balanced hand with 8 or more points.

WEST bids what his hand is worth, 3NT and EAST passes.

SOUTH opens 2♣ and NORTH responds 2♦ showing fewer than 8 points.

SOUTH bids 2NT with a 23 point balanced hand.

NORTH has enough points to bid 3NT, but with two 4-card Major suits bids 3♣ Stayman instead.

SOUTH won't confuse this as the second negative since that bid isn't used after a 2NT rebid.

So SOUTH shows her 4-card ♥ suit and NORTH bids 4♥.

WEST has a balanced hand with 11 points, so she responds 2NT to EAST's 2♣ opening bid.

EAST bids 3NT. This shows 22-24 points, a hand he was planning to rebid 2NT.

WEST knows the side has at least 33 points, but no more than 35 so she bids 6NT.
