The bidding has gone as shown. Decide what you would say, then click on BID above. [BID 4♣]

Very interesting! If partner's 1NT bid happens to include 3 Aces and one King you can count 13 tricks! So you bid 4♣, definitely Gerber following the 1NT opening. Partner answers 4♥. What do you say next? [BID 4NT]

[show NS]

You almost refuse to believe it! How can partner have a 1NT opener with only 1 Ace? But you trust your partner so you bid 4NT. Everybody passes and you stare in amazement at partner's 16 points.

Wouldn't it have been funny if partner had thought your 4♣ bid was Stayman? And so his 4♥ bid would have been showing a suit. And then your 4NT bid would have been Blackwood. And then he would have answered 5♦ and you would have passed and made it!

[show S]

The bidding has gone as shown. Decide what you would say, then click on BID above. [BID 4NT]

Partner opens a Weak 2-bid and catches you with a blockbuster. The only thing you want to know about his hand now is how many Aces he has. So you bid 4NT. Partner answers 5♥. What do you bid? [BID 6♥]

[show NS]

That makes it simple, with 2 Aces you bid a confident 6♥. If he had 1 Ace you would have bid an also confident 5♥. If he had zero Aces you would have been in a spot of trouble. And if he had 3 Aces you would have asked him how he could open a Weak-2 with that many points.

With 15 points and a nice 5-card suit you respond 1 ♠. Partner jumps to 4 ♠. What do you say? [BID 4NT]

Do NOT say "Partner bid a close-out bid so I'll pass." Partner's bid means he thinks you can make 4 ♠ even though he is only counting you for 6 points. Since you have 15+ now you want to go for more. You bid 4NT and partner answers 5 ♦. What do you say next? [BID 6 ♠]

Partner has 1 Ace so you can go no higher than 6. Although you can't tell for sure that slam will make, remember you used Blackwood just to be sure you weren't missing two Aces. You are not and you have enough points so you bid it. Although you can see that 6NT would have been a great contract you had to take the safer 6 ♠.

You aren't strong enough to open 2 ♣ so you bid 1 ♠. Partner responds 3 ♠. What do you say? [BID 4 ♣]

Partner's limit-raise shows 11-12 points and you revalue your hand up to 22. So you are definitely in slam territory. You hope partner has 2 Aces but you cannot use Blackwood with that worthless doubleton in ♦s. Instead you make a control-showing bid of 4 ♣. Partner then bids 4 ♥. What do you bid next? [BID 4 ♠]

The good news is that partner's control-showing bid says he has the ♥ A. The bad news is that he bypassed ♦s so he does not have the ♦ A. Since you may have 2 quick losers in ♦s you sign off at 4 ♠.
